Realising Opportunities

Realising Opportunities (RO) is a national programme, which for over 16 years has been giving students in Year 12/the first year of college increased access to some of the country's leading research intensive universities (RIUs).

RO students will be supported during their studies at school/college with increased information, advice, and access to RO Partner universities. They will develop the skills they need to be successful at university and to make informed choices for their future. Since 2010, RO has supported over 15,000 students from over 500 schools and colleges. Read the quotes and click the links in this guide for former RO students' perspectives on how the programme helped them.

Data shows that 88% of the most recent RO students graduating obtained a First Class or Upper Second Class degree, substantially higher than the overall proportion of 79% of all graduating students.

Click [here](#) for Erin's story.

RO universities

All of the RO universities are leading RIUs.
This means they have:

- Leading academics and tutors, who are experts in their field.
- Vibrant learning environments where new discoveries are being made.
- Cutting edge facilities thanks to the investment associated with research.
- Top careers guidance and strong links with business.
- World-renowned reputations which are highly valued by employers.

RO students

Students who are offered a place on the RO programme are the most able but the least likely to attend a research intensive university. For example, they may: be the first in their family to attend university; come from an area where not many people go on to higher education; or be in receipt of free school meals or discretionary payments at school/college.

Students begin the programme in January of Year 12 and are supported until the December of Year 13. RO students benefit from a whole range of activities designed to develop their skills and better prepare them for university.

University of Birmingham

University of Exeter

University of Leeds

University of Leicester

Loughborough University

Newcastle University

**Queen Mary University
of London**

University of Warwick

University of York

Benefits of the programme

Alternative offers

from the RO Partner universities which are typically two grades lower than the standard offer. †

Additional consideration

when students make applications to RO Partner universities through UCAS.

A Launch event

with their host university to celebrate their place on the RO programme, get them started, and meet university representatives.

Experiences and support

to help them make an informed choice about higher education and research intensive universities.

† The majority of courses at RO Partner universities give alternative offers but there are some exceptions. Students who are successful in gaining a place on RO will be informed of the exceptions when they begin the programme.

A chance to develop their skills

in analysis, critical thinking, evaluation and research through taking the the RO Academic Skills Module (ASM).

A wide range of events and activities

at the RO Partner universities. Support for travel costs may be available for some events

Skills4Uni

An online study skills course and multiple choice quiz which will help them develop their planning and independent research skills.

Online support

through which students can get answers to their questions from both current university students who have been in their shoes and staff from the RO Partner universities.

Partnership Fair and Summer information sessions

covering topics including Student Finance, University Applications, and Student Life, and delivered by industry experts.

What support is available?

Support will be available for students:

- From their RO host university.
- From the RO Central Team (who coordinate the programme on behalf of the RO Partner unis) through monthly email updates. Students can also contact the team at any time by email.
- Through the Skills4Uni online study course.
- From current university students who will provide online support throughout the RO programme.
- Through the resources available on our website and social media pages.

“THE EXPERIENCE WAS REALLY USEFUL, INTERESTING AND THE COMMUNITY WAS EXTREMELY HELPFUL. I WAS ABLE TO MEET PEOPLE FROM ALL BACKGROUNDS, AND BOND OVER OUR SHARED EXPERIENCES.”

Fatimah, RO student 2021 - 2023

Completing the programme

Students must complete three compulsory elements of the programme to complete RO:

- Attend at least two RO events or activities (these can be the Launch and the National Student Conference or any of our Summer Session information sessions, or our Partnership Fair) **to explore student life at RIUs.**
- Pass the Skills4Uni online multiple choice quiz **to develop study skills.**
- Complete the RO Academic Skills Module (ASM) **to increase study skills confidence.**

To find out more about the Realising Opportunities programme and its benefits, please click [here](#) to go to our website.

“I HAVE REALLY ENJOYED THE PROGRAMME SO FAR, BEING ABLE TO MEET NEW PEOPLE WITH THE SAME AMBITION AS YOU IS REALLY HELPFUL. HAVING THE OPPORTUNITY TO GO UNIVERSITY CAMPUSES FOR EVENTS ALLOWED ME TO BECOME A LITTLE MORE FAMILIAR WITH THE LAYOUT. IT HAS PROVIDED ME WITH INFORMATION THAT I PERHAPS WOULDN'T HAVE KNOWN IF I WASN'T IN THE PROGRAMME, SUCH AS INFORMATION AROUND UCAT AND THE UCAS PROCESS.”

Nathan, RO Student 2023 - 2025
